STATE OF ALASKA
OFFICE OF THE GOVERNOR
JUNEAU

Dear State of Alaska Employee:

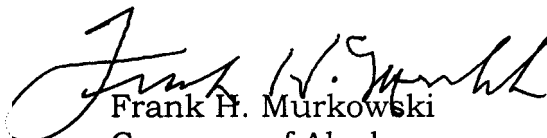

Congratulations on your choice to work for the State of Alaska. You are joining over 16,000 other Alaskans who take great pride in their service for and to the citizens of our great state.

I have found public service to be a rewarding experience. Working for the people of Alaska is a tremendous privilege. I hope you find it as fulfilling as I have.

Staff members of our Division of Personnel have worked hard to make this new website informative and easy to understand. I hope you find it helpful during your orientation as a new state employee.

Thank you for your commitment to Alaska.

Sincerely yours,

Frank H. Murkowski
Governor of Alaska
